Evaluation of Feedback from Peer 2023-2024

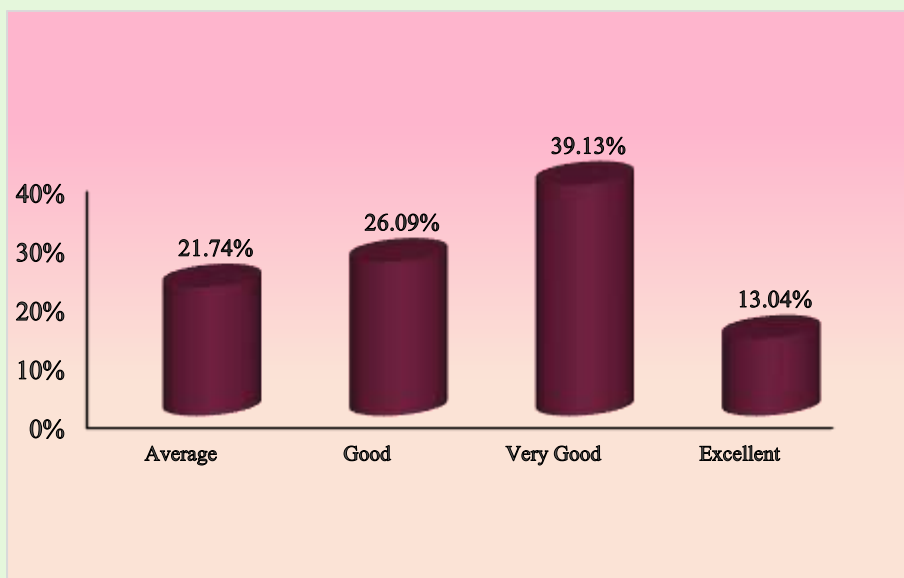

1. General Discipline

Action Taken:-

- Orientation programs were conducted to make students aware of behavioral expectations.
- CCTV surveillance was enhanced in sensitive and high-traffic areas of the campus

2. Technical Competence of the students

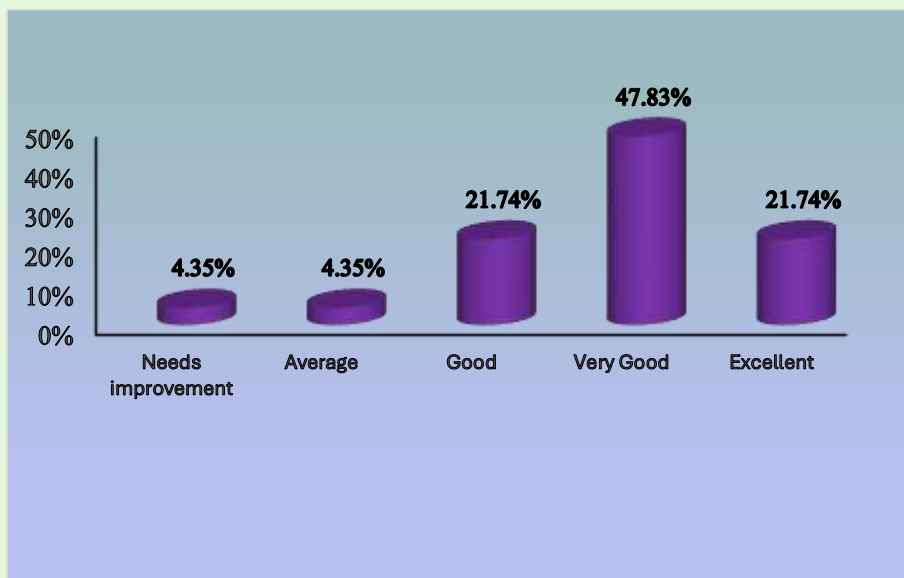

Action Taken: -

- Certificate programs were introduced through IPCA Group Ltd. to bridge skill gaps.
- Students were encouraged to participate in coding contests, technical quizzes, and innovation challenges.

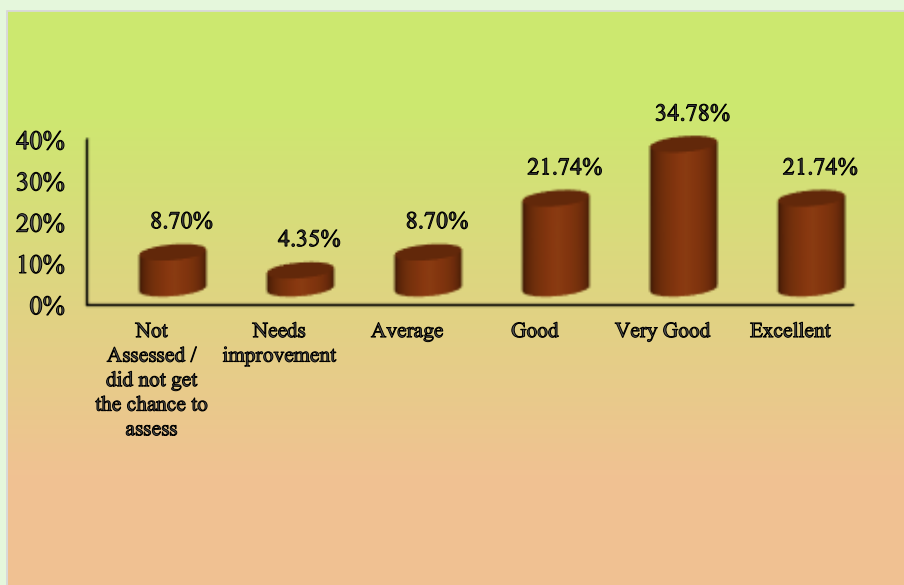

3. Classrooms and Lab facilities

Action Taken: -

- Periodic lab audits were conducted to ensure functionality and maintenance.
- Classrooms were upgraded with smart boards, projectors, and high-speed internet to enable ICT-based teaching.

4. Productive use of software/lab facilities/other digital resources

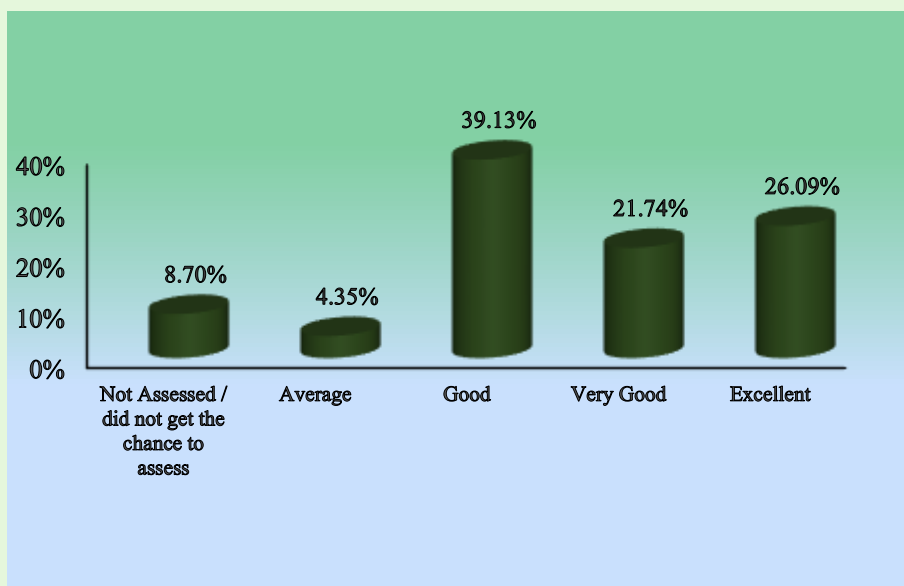

Action Taken: -

- Learning Management System (LMS) access was streamlined for easier use by students and faculty.
- New digital resources like e-journals and databases were subscribed to and made accessible.

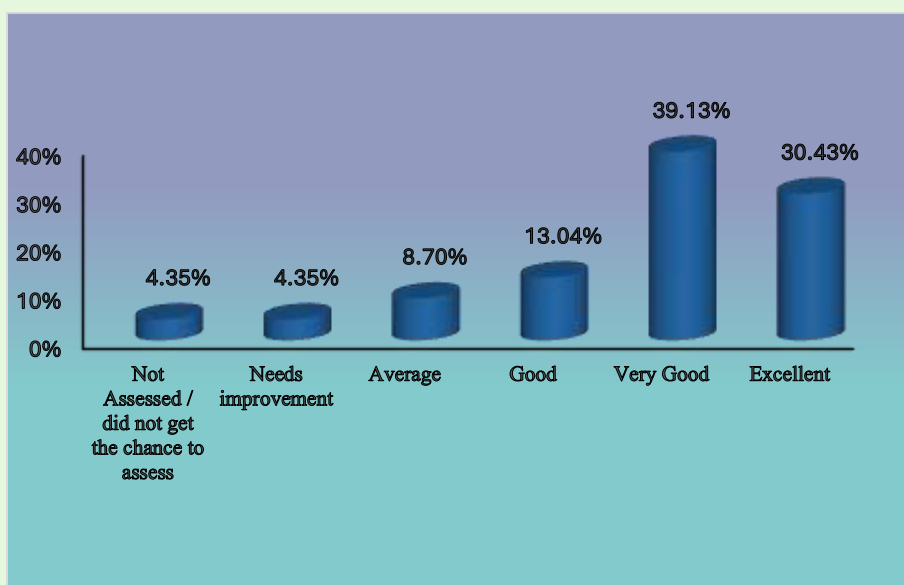

5. Your perception about the competence of Laboratory Staff

Action Taken: -

- Lab staff underwent training workshops to update them on recent tools and practices.
- Internal assessments of lab staff performance were introduced

6. Safety and security measures at the College

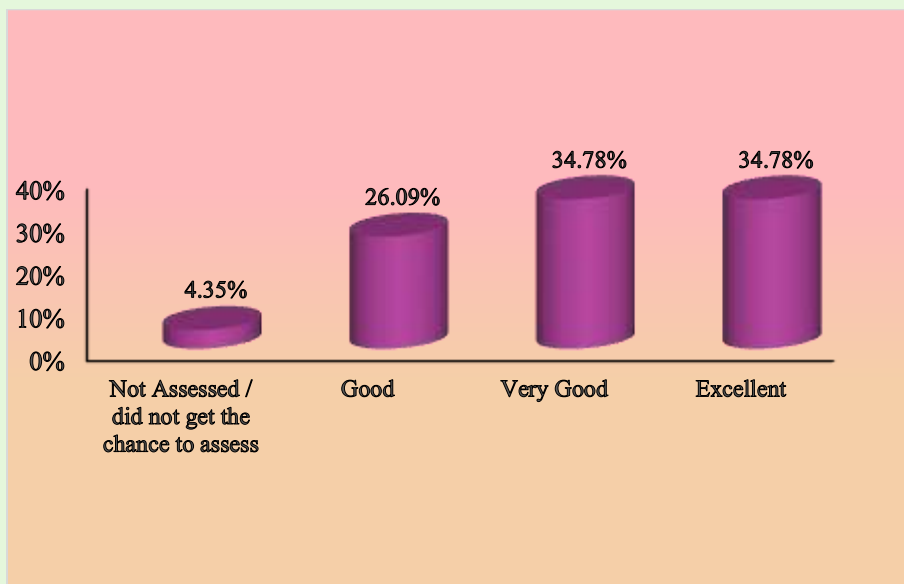

Action Taken: -

- Fire extinguishers and safety equipment were inspected and replaced where necessary.
- Campus security was strengthened with additional guards and stricter ID checks

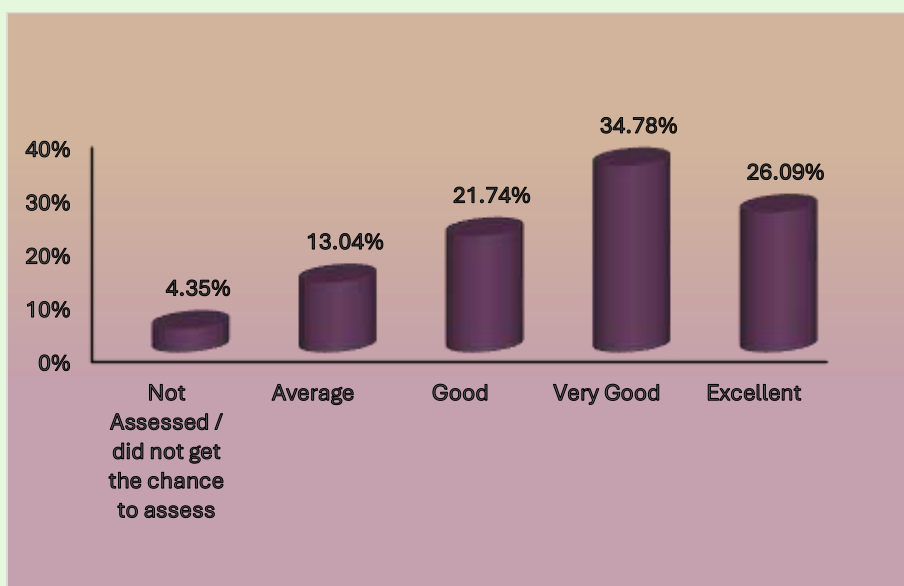

7. Professional standards of ethics and integrity

Action Taken: -

- Seminars on academic integrity and ethical conduct were included in the annual calendar.
- A committee was formed to address issues related to ethics and student misconduct.

8. Encouragements for new approaches and perspectives

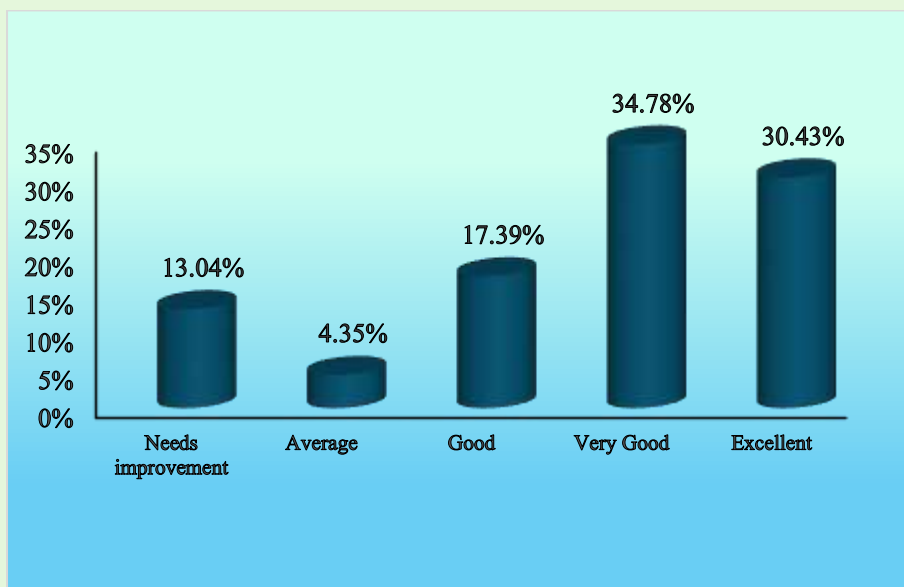

Action Taken: -

- Flexible project topics and choice-based credit systems were introduced to support creativity.
- Faculty were encouraged to implement inter disciplinary teaching strategies

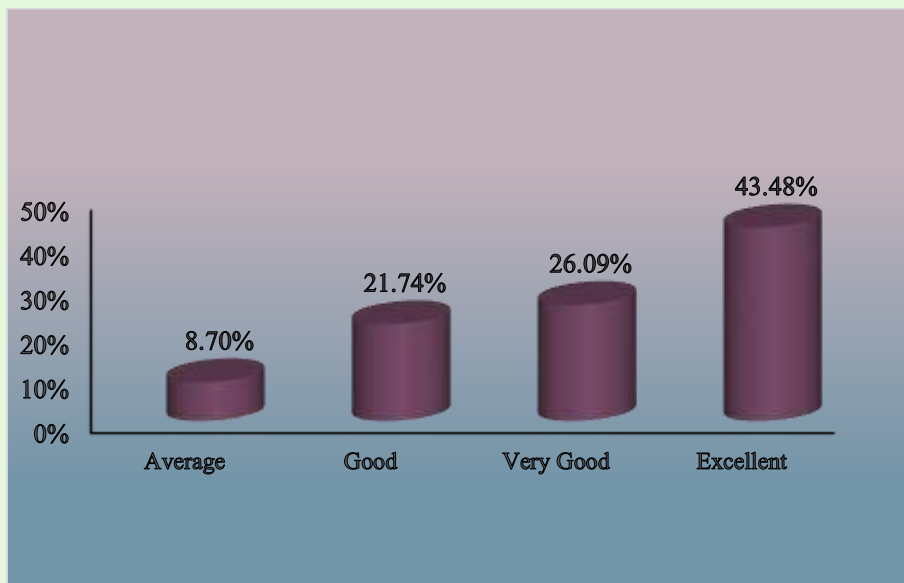

9. Overall infrastructure of the College

Action Taken: -

- Classrooms, labs, and washrooms were renovated with modern fittings and better hygiene facilities.
- Green landscaping and eco-friendly campus initiatives were expanded.

10. Overall experience at the College

Action Taken:-

- Student counselling and wellness services were made more prominent and accessible.
- Career counselling sessions and placement drives were conducted consistently.
