Agenda of the Meeting

- Welcome and introduction of the newly appointed President, IIC.
- Review of activities and achievements of the previous quarter.
- Discussion on the action plan for upcoming IIC activities.

Proceedings of the Meeting

The meeting commenced with a welcome address by Dr. Dolly Mangla, Convenor, IIC, who warmly welcomed all the members and specially congratulated Dr. C. S. Vashishat on assuming the role of President, Institution's Innovation Council (IIC). The Convenor presented a review of the activities and achievements undertaken during the previous quarter. The members appreciated the successful execution of various initiatives aimed at fostering innovation,

appreciated the successful execution of various initiatives aimed at fostering innovation, entrepreneurship, and startup culture among students. The following activities were discussed and proposed for the upcoming months:

- **Startup Exhibition (August 2026)**

A Startup Exhibition will be organized to provide students with an opportunity to showcase their innovative ideas, prototypes, and business ventures. The event will encourage creativity, entrepreneurship, and interaction with experts and industry professionals.

- **School Outreach Programme on Entrepreneurship (July 2026)**

An outreach programme will be conducted in nearby schools to promote awareness about entrepreneurship and innovation. The initiative aims to inspire school students to develop creative thinking and entrepreneurial skills.

- **Workshop on AI for Fundraising**

A workshop will be organized to familiarize aspiring entrepreneurs with the use of Artificial Intelligence in fundraising activities, including investor identification, pitch preparation, and funding strategies.

- **Expert Sessions on Prototype Validation and Angel Investment Opportunities**

Expert sessions will be conducted to guide students on validating their business ideas and prototypes, understanding market requirements, and exploring funding opportunities through angel investors.

The members deliberated on strategies to further strengthen the institution's innovation ecosystem and enhance student participation in innovation-driven activities. Emphasis was placed on providing greater entrepreneurial exposure, mentorship, networking opportunities, and support for startup development.

Vote of Thanks

The meeting concluded with a Vote of Thanks proposed by Dr. Shilpa Goel, who expressed sincere gratitude to the President, External Expert, coordinators, and all members for their valuable suggestions, active participation, and continued support towards the successful implementation of IIC activities. The meeting ended with a commitment to further strengthening the culture of innovation and entrepreneurship within the institution.

RESOLUTION OF THE IIC COUNCIL MEETING

Date: 19th June 2026

The council meeting of the Institution's Innovation Council (IIC), Aggarwal College Ballabgarh, was convened under the chairmanship of IIC President Dr. C.S. Vashishat to review progress, implement structural changes in the member council, and plan innovation-driven activities for the upcoming months in accordance with the guidelines of the Ministry of Education's Innovation Cell.

Key resolution passed:

- The Council approved the organization of a Startup Exhibition in August 2026, a School Outreach Programme on Entrepreneurship in July 2026, a Workshop on AI for Fundraising, and Expert Sessions on Prototype Validation and Angel Investment Opportunities.
- The Council resolved to strengthen initiatives aimed at fostering innovation, entrepreneurship, and startup culture among students through regular awareness programmes, workshops, and mentorship activities.
- It was resolved to invite industry experts, entrepreneurs, startup mentors, and investors to provide practical exposure and guidance to students.
- The Council decided to encourage greater student involvement in innovation-driven activities, startup competitions, exhibitions, and entrepreneurial development programmes.
- The IIC coordinators were entrusted with the responsibility of planning, coordinating, and monitoring the successful execution of the approved activities and submitting progress reports to the Council.
- The Council resolved to initiate and establish a Memorandum of Understanding (MoU) with a suitable industry in the areas of innovation, entrepreneurship research, and start-up support for students and faculty members.

The council further agreed to reconvene in September 2026 to review student project progress, mentorship outcomes, and Q4 implementation strategies.
