Objectives of the Meeting:

- Changes in the Member Council
- Planned activities for the upcoming months

Review of Previous Meeting:

Ms. Mohini Verma provided a concise summary of the key discussions and decisions and decisions from the previous IIC meeting held on which focus on:

- Enhancing faculty and students' engagement
- Encouraging idea generation for growth and creativity
- **Changes in the Member Council:**
 - ❖ Ms. Dolly Mangla – Convenor
 - ❖ Ms. Sonia Yadav– Innovation Coordinator
 - ❖ Ms. Poonam Sharma – Innovation Coordinator
 - ❖ Ms. Sanjana Pal – Internship Coordinator

Planned activities for the upcoming months (October-November 2025):

- **Slogan Writing Competition** with an objective to promote awareness about innovation and creativity through concise impactful slogans.
- **Innovation Ambassador Training Participation (Faculty & Students)** with an objective to build a strong innovation ecosystem in the institution by training both faculty and students as Innovation Ambassadors.
- **Business Plan Competition** with an objective to enhance creativity, problem-solving, and strategic thinking while giving students exposure to real-world business challenges.

Recommendations:

- Ms. Poonam Sharma will represent and mentor two student teams, who will present their innovative ideas as part of the event.
- It was recommended that more and more students should actively participate in the Innovation Ambassador Training to strengthen the institution's innovation ecosystem.
- Ms. Dolly Mangla suggested that the institution should participate in the Impact Lecture Scheme available on the IIC portal. The recommendation was well-received, and the principal granted permission to apply for the same.
- Dr. Sanjeev Kumar Gupta suggested to organise regular meetings of members and coordinators to discuss and review the milestones of IIC.
- Valuable recommendations were received for the Expert Council for the ongoing session. These experts will be formally included as members of the council by the time of the Second Council Meeting.

Dr. Sanjeev Kumar Gupta thanked all the members for their enthusiastic participation and particularly acknowledged the valuable insights and suggestions provided by the external experts. The next meeting is **tentatively scheduled for December 2025**, during which the council will review the progress of the ongoing initiatives and continue brainstorming additional ways to enhance the impact of the IIC. Meeting ended with thanks to the chair and vice-versa.
