Minutes of the Meeting

Dated...19/1/2026...

19.01.2026

The meeting began with a warm welcome from Dr. Sanjeev Kumar Gupta, Principal, Aggarwal college Ballabgarh who extended greetings to the coordinators and members of IIC from college. The following points were discussed and resolved:

Objectives of the Meeting:

- R&D Committee Formation and its activities
- Activities planned for the upcoming months

Review of Previous Meeting:

Ms. Dolly Mangla, Convener IIC, provided a concise summary of the key discussions and decisions from the previous IIC meeting, which focused on IA program enrolment from students and encouraging idea generation for growth and creativity.

Activities planned for the upcoming months (December-February 2026):

- The council members witnessed the demonstration of an innovative product, chemical-free handmade soaps, presented by Ms. Dimple, a student of BCA, before the IIC members and external experts. The external experts appreciated the initiative and discussed various suggestions for product improvement and commercialization, including the introduction of different varieties of soaps in terms of shapes and designs, development of attractive soap designs especially for babies, finalization of a logo and domain name for branding, and improvement in packaging to enhance market presentation.
- The experts also suggested organizing a Mini Bazaar at the institutional level to provide a platform for students to showcase their innovative products and to encourage entrepreneurial skills and creativity among students.

- The formation of an R&D (Research and Development) Committee was deliberated and approved to support student innovation, research activities, and startup initiatives under IIC.
- The council also resolved that official communications/emails will be sent to different universities, including Guru Gobind Singh Indraprastha University (GGSIPU), to invite faculty members and students for academic and innovation visits, inter-institutional interaction, and participation in IIC activities. It was unanimously decided that each IIC member will bring unique and innovative ideas in the next IIC meeting for discussion, evaluation, and possible implementation.

Dr. Sanjeev Kumar Gupta, President IIC thanked all the members for their enthusiastic participation and particularly acknowledged the valuable insights and suggestions provided by the external experts. The next meeting is **tentatively scheduled for March 2026**, during which the council will review the progress of the ongoing initiatives and continue brainstorming additional ways to enhance the impact of the IIC.
